

Triple Float TS3000

The most efficient finishing machine on the market. Combining operator comfort with smooth running and high productivity, the TS3000 will increase daily productivity and significantly improve the finish of the concrete slab.

Meeting high environmental and health & safety requirements as standard.

Smooth finishing for concrete slabs

Advantages

- Increased daily productivity
- Improved aesthetic finish
- Fast smooth operation
- Long-life gearbox
- Lightweight (450kg)
- Utilises standard finishing blades
- Catalytic convertor as standard

Specifications subject to change without notice **Non contractual photo**

Technical description

Specifications	
Width	2.4 m
Lenght	2.7 m
Height	1.3 m
Weight	450 Kg
Performance up to:	3000 m2 / day

Engine	
Brand	VANGUARD
Model	V - TWIN 35CV
Emission compliance	Stage V
Power	26.4 Kw @ 3600 RPM
Fuel	Petrol
Fuel tank capacity	25L

Options	
Eco oil	On request
Catalytic converter	As standard
